# Five screens, three posts each.

Every tile is drawn at its real export size — Instagram 1080×1080, TikTok 1080×1920, X 1200×675, App Store 1290×2796 — and shown here scaled to fit. Garment blocks stand in for photography.

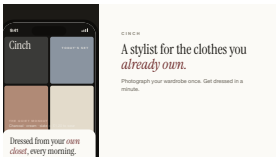

## 01 Welcome — the promise, stated plainly. Lead with the wordmark.

01a *Instagram* · 1080×1080

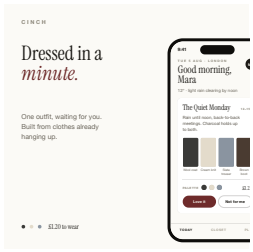

01b *TikTok / Story* · 1080×1920

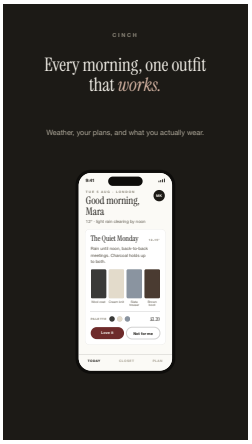

01c *X* · 1200×675

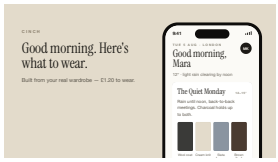

## 02 Today — the daily habit. Speed is the hook.

02a *Instagram* · 1080×1080

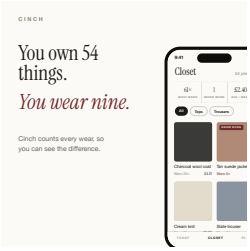

02b *TikTok / Story* · 1080×1920

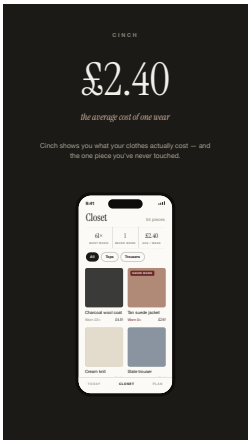

02c *X* · 1200×675

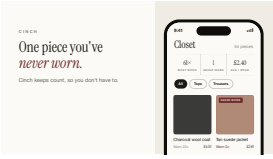

## 03 Closet — the data nobody else shows you. Numbers do the selling.

**03a** *Instagram* · 1080×1080

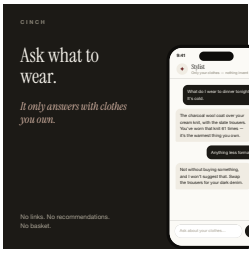

**03b** *TikTok / Story* · 1080×1920

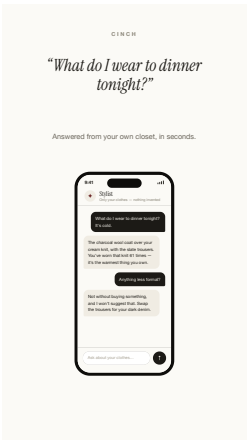

**03c** *X* · 1200×675

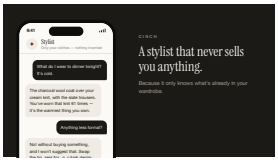

## 04 Stylist — the honesty angle. It refuses to sell you anything.

**04a** *Instagram* · 1080×1080

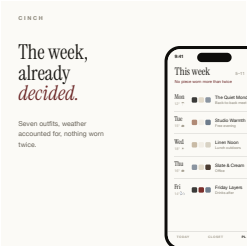

**04b** *TikTok / Story* · 1080×1920

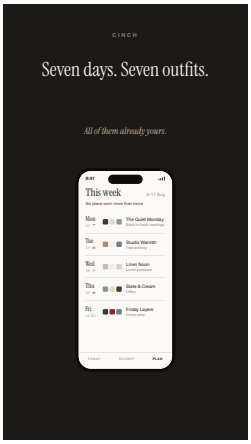

**04c** *X* · 1200×675

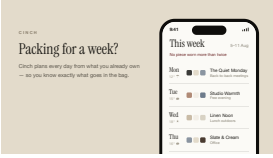

## 05 Plan — the week ahead, and the packing use case.

**05a** *Instagram* · 1080×1080

**05b** *TikTok / Story* · 1080×1920

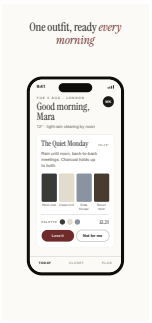

**05c** *X* · 1200×675

# 06 App Store — 1290×2796 (6.7"). A set of five, read in order.

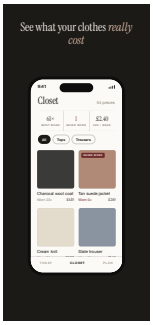

One caption per screen, alternating ink and paper so the strip has rhythm in the store listing.
